# ROBERTSON GARDENS WEDDING EXPO

**We are so excited to  
announce:**

**The First Annual Robertson  
Gardens Weddings Expo.**

The purpose of this event is to showcase our grounds and offerings. As part of this, we are including local vendors, some who we have worked with for years as well as new faces.

The whole world was hit hard by COVID19 with the wedding industry suffering particularly. Government restrictions on not only wedding capacities but also on international and interstate travel have made it difficult for couples who have family and friends in other locations to set and stick to a date.

As we see fewer cases each day and restrictions are eased, we are gaining more and more confidence that we are well on the way to recovery.
